### Questions and Answers

April 21, 2025

To help us better understand the student volume and appropriate licensing for the Career Services Office, would you be able to share an estimated volume on student populations engagement in careers of the total 20,000.

Q1. Career Services/Events/Seminars/Career Fairs?

A1. 4,000-5,000 students.

Q2. Internships (mostly in Business, IT, Engineering)?

A2. Approximately 2,000 students

Q3. Job Placements?

A3. Open to all, approximately 4,000 annually

Q4. Cooperative Education (various disciplines)?

A4. Cooperative Education created co-op records for just under 500 students this academic year.

Q5. Also, do you except Federal Express or USPS Priority Mail or certified mail?

A5. We accept all of the above methods.

Q6. Will this be University or student pay?

A6. n/a

Q7. To help us better understand the scope of services and tailor our response effectively, would you be able to share how many students the Career Center engages with annually?

A7. The answer is probably around 7,000 students if we take the 30% of the student population number, but our services are offered to all 21k.
